

Case Study: How BSDE Modernized The City of Wilmington's Communication Center

A powerful, long-term solution built on advanced tech and data-driven insights.

Industry: **Government**

Services: **Contact Center**

Call Type: **General & Payment Processing**

Under 3%

call abandonment rate, reflecting a dramatic decrease in missed connections.

1-2 Weeks

of advanced pre-launch agent training with each new program rollout.

100%

of calls are currently being outsourced to BSDE.

”

Thank you all. I can't think of a better team to be at the front line when people are calling in for help on weeks like this.

– Heather, City of Wilmington

Lowered Costs

by staffing more agents at peak hours and fewer at non-peak hours, resulting in cost savings.
